Burger Edge Opens Williamstown Store

Melbourne, Australia. Burger Edge, one of Australia's leading gourmet burger franchises, today announced the opening of Williamstown store located on the historic Nelson Place.

Situated in a prime position within the cafe and restaurant strip, Burger Edge has built a new generation of inline store, offering more seating, a covered and heated backyard, as well as seating on the front sidewalk.

"We built this store to suit the area. Williamstown is all about long afternoons and hanging out with friends amongst the many popular street front cafe's and restaurants along Nelson place. Burger Edge fits in perfectly with this scene."

Williamstown store will also be licensed and caters for private functions.
